INSIDER COLLECTION

Our insider collection allows you to benefit from our hotel's unrivalled local knowledge. Often inspired by the destination itself, these experiences can be tailored to any event or meeting, ensuring that it delivers results and creates an experience to remember.

INSIDER LOCATIONS

Insider locations give you an opportunity to base some of your event away from the hotel. We offer exclusive access to a variety of venues and experiences, allowing delegates to experience a side of the destination that visitors rarely see.

INSIDER SPEAKERS

A well-chosen speaker can bring your event to life and really inspire your delegates. Insider speakers range from celebrities and cultural experts to sporting heroes and all have a local connection.

INSIDER COMMUNITY

Insider community events allow delegates to make a positive difference to the community they are visiting. It could be anything from painting a mural at a local school to preparing lunch in a homeless shelter.

INSIDER INTERACTIONS

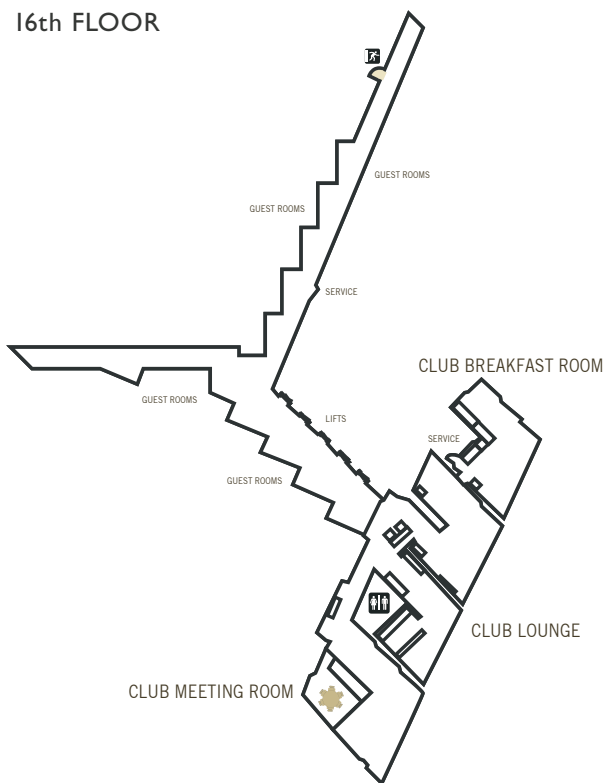

We offer a range of team-building experiences, which can be based on-site or in the local area. They are an original way to engage and motivate delegates while giving them a chance to interact with their destination.

INSIDER BREAKS

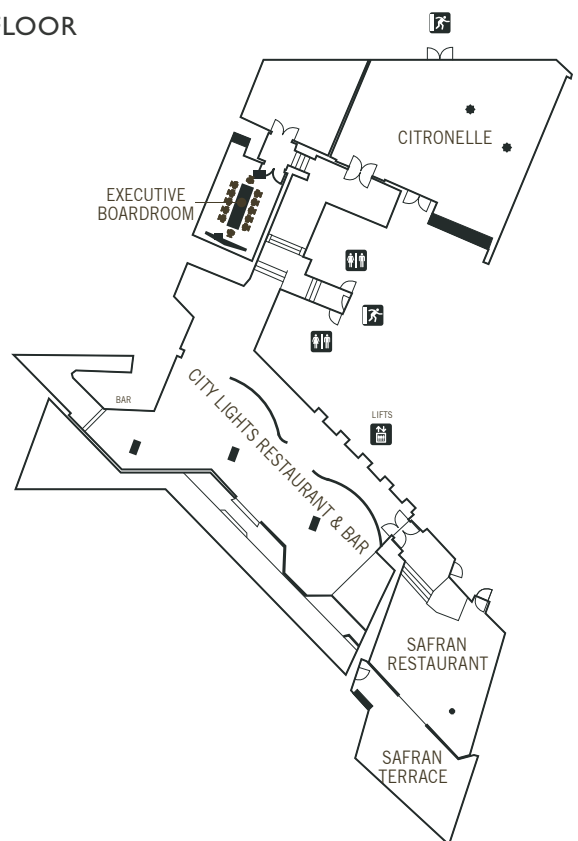

With insider breaks, a few minutes out of a busy day can become a whole experience in itself. It could be a talk from the concierge on local sights or a live cooking station hosted by the chef and showcasing local recipes...
